

Trieu, Van

Hello Van Thanh;

Thank you for calling me on February 12, 2002 in regards to this e-mail. We discussed that I did mailed the certified "Amendment" for "Number: 13, Date: 12-15-2001 Contents Description : Count -None- Final Rejection" on 01/15/2002. You will find the attachment to this e-mail, the PDF document that was mailed on 01/15/2002.

This PDF document is a secured document that can be viewed and printed using Adobe Acrobat Viewer, which can be downloaded from <http://www.adobe.com/products/acrobat/readstep.html> this link.

I asked you **please can you expedite this infringement**. I have worked with Krista Zele 703-305-4701 in the past with sending and printing PDF documents. This seem like our only option because our old faithful US Post Office seem to be having difficulty with Mail (Anthrax).

If you have any questions on printing this document using Adobe Acrobat could you ask Krista **(or maybe she could just print it for you then interoffice it to your desk)**. I had also faxed the above document to your fax # 703-746-6070 on 01/15/2002 and it did not reach you.

Please Help !.

Subject: I only need a response that you received the "Amendment"

Dear Trieu Van Thanh;

My Name is Cecil E. Williams Jr. and I am the Pro Se owner for the Application below; I mailed/Certified in the "Amendment" for "Number: 13, Date: 12-15-2001 Contents Description : Count -None- Final Rejection" on 01/15/2002.

I have not received a response from you in regards to you receiving the document, could you please contact me by e-mail (Williams_cecil@hotmail.com) by Phone : 954-881-2109. My address did not really change from the 3171 La Mirage Drive Lauderdale Florida 33319 but rather I was roughing all my mail to my new P.O. Box 450701 Plantation Florida 33345-0701.

The reason that I am so concern with a response from you is because per your "Count - None Final Rejection" you specifically specify that I have 30 days to responded and that would mean 2-15-2002 would be that date 4 Days from this letter date. I only need a response that you received the "Amendment" nothing more.

Thank you,

2/14/02

Cecil E. Williams Jr.

Pro-Se Inventor.

P.S. Even if I don't live to see the fruits of the Patent, I pray that my 3 & 11 year old children will.

God Blessings.
